Hi Rudy,

I'm also planning on attending. Please keep me posted if anything shifts with the schedule, or if any additional information becomes available.

All the best,
Haley

Rudy,

Thanks for the additional information. Unfortunately, I won't be able to make it to this event. However, my colleague Leah Pickett, included on this email, helps me out on energy and environmental issues and will be able to attend on behalf of Cong. Welch. Please include her in any further emails etc. related to background or planning for Wednesday.

Best wishes,
George
